Welcome Bay Area Estate Planning Councils!

President's Message

Dear Colleagues,

I would like to take this opportunity to extend the warmest of wishes to you and your families for a most happy holiday and blessed Christmas season.

This letter is also to extend an invitation to our sister estate planning councils, East Bay and Diablo Valley, to join us on January 5th at the Blackhawk Museum to hear noted columnist and economist Tapan Munroe, who will speak on trends in the local and global economy.

We are very excited about featuring Dr. Munroe so be sure to invite a guest and come join your peers for a great evening of fellowship and information to begin the new year.

It's been a great 2005, and we are looking forward to 2006. Thanks for your loyal participation.

Here's to a very happy, healthy and successful New Year! See you on the 5th!!

Warm Regards, Dick Warga

“The Economy in 2006: Opportunities & Challenges”

We meet at the spectacular Blackhawk Museum on Thursday, Jan. 5 for beautiful cars, great food, and internationally known speaker and author, **Tapan Munroe**. Dr. Munroe is a scholar and teacher of economics, an author of books, a columnist for Knight-Ridder Newspapers, and a Director of LECG, LLC, an expert consulting firm based in Emeryville.

Dr. Munroe will explore the future of our amazingly resilient economy. What lies ahead for the world, the nation, the state, and the Bay Area? Continued inflation and rising interest rates? A housing market soufflé? An improving job market? A revival of Silicon Valley? Recurring energy problems? Bring your own questions to ask Dr. Munroe.
