WELCOME ALL BAY AREA ESTATE PLANNING COUNCILS!

President's Message

Our annual Blackhawk Museum event will be held on the second Thursday of January in the new year of 2010. I hope everyone is having a happy holiday season and that the calories are not accumulating faster than one's ability to burn them off.

We have a very special speaker for the January 14th meeting. Dr. Mark Hillman is well known to television audiences for his appearances on the Nancy Grace Show, Open Court and the Today Show and is a dynamic presenter. We are also very fortunate to have great sponsors who help to defray the costs of our meetings. Last month it was Bonhams and Butterfields and in January the Wheelchair Foundation and John Muir Health Foundation will again be providing their support as they have done in years past. On behalf of the Board and the membership, thank you very much!

See you next year! Celia Mason
